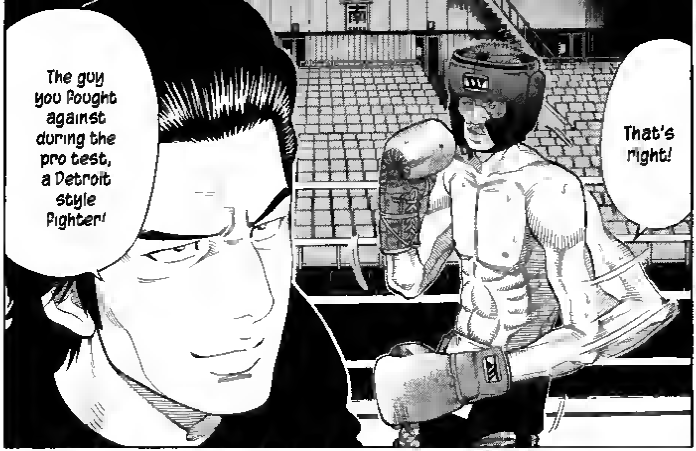
DEBUT... HAS A NICE RING TO IT ♥

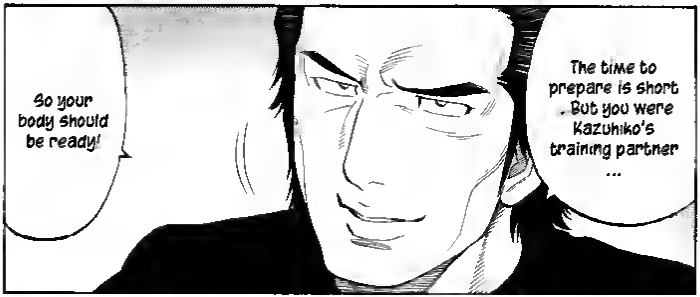
Kamiyama Naoki, 20 years old, of the World Kobashi Gym!
Your opponent for the debut fight!
Huh ...
This is his debut fight as well!
Mm-mmm ...?
AH...
TH... THIS GUY ...



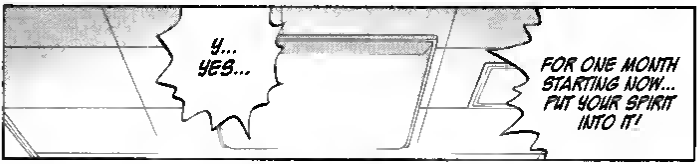
×The style where one keeps throwing random jabs from a low stance

Supposedly, World Kobashi puts on a special show at year end...
It's all broadcast by satellite or something
So .. For time adjustment purposes, they're squeezing in a four round fight before the main event...
Didn't he fail the test...?
B... But...
He has the required skill, if he just fights normally!
He probably took it again right after!

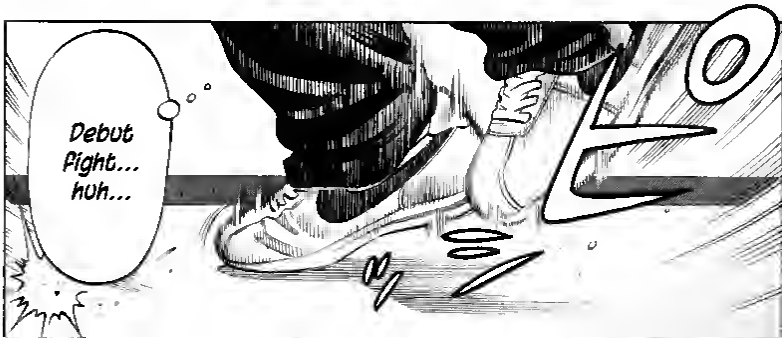
It seems the events during the pro test were extremely vexing for him~~~♥
ミシ…
And their fighter... Namely, Kamiyama-kun, strongly hoped that Rikitarou would be his opponent!



So your body should be ready!
The time to prepare is short . But you were Kazuhiko's training partner ...



y... yes...
FOR ONE MONTH STARTING NOW... PUT YOUR SPIRIT INTO IT!



Debut fight... huh...

I feel this throbbing that I experienced watching Isotani-san's fight
No... Quite the opposite
I don't feel any fear or anything like that either...
I don't really feel it...

For the month until your fight, Aniki...
I'll be taking a one hour break from work ♥
Yousuke will watch the shop
So... I'll go change!
Yeah! Please do!
Eh? Eh? What's this about?

I asked him to help before your fight against Kamiyama and his long reach!
Uh...
Don't you think you'd better get used to fighting big guys?
Tajima-kun, punch as if you plan to knock him out!
Iwamaki! Slip inside while dodging his punches!
You don't have to hold back!
You can only attack the body!
Osu!
If this guy's cannon fires ...I might even die in the worst case...!!
Hey hey...

This too is for your sake, Aniki
I'll go all out ♥

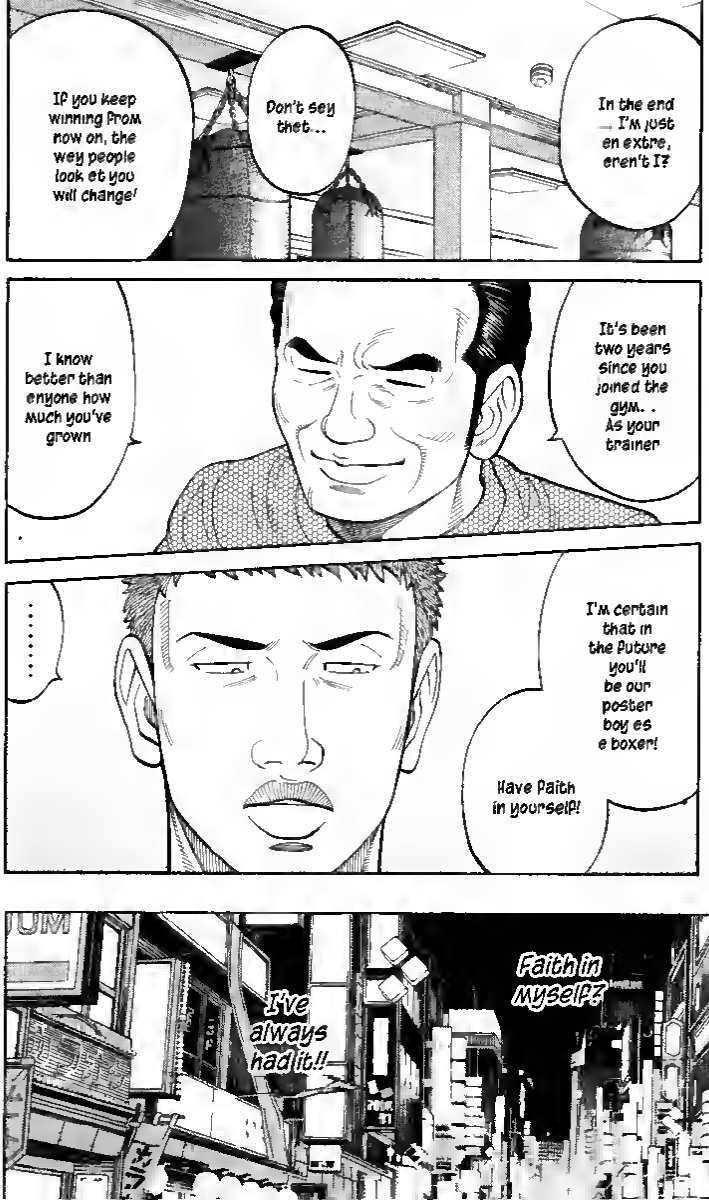
So... Is the ring still occupied?
Your debut fight!
It's finally approaching!
I can't wait to kill him with these hands!
That TV bastard who embarrassed me during the pro test
It would be nice, but...
ORA! DO YOU THINK YOU CAN WIN LIKE THAT!?
RIGHT, RIGHT!
We're going to promote our representative fighters during this special program...
So the president is all over them...

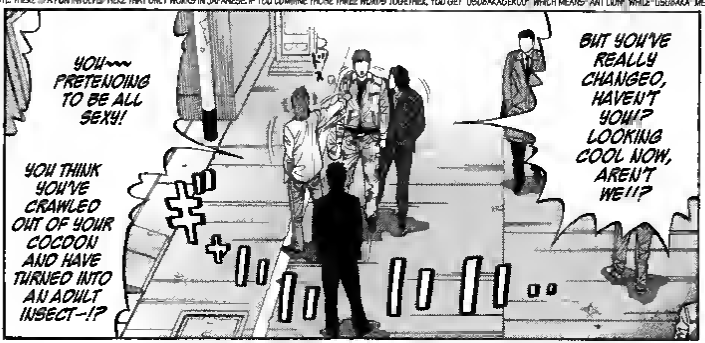


In the end — I'm just an extra, aren't I?
Don't say that...
If you keep winning from now on, the way people look at you will change!
It's been two years since you joined the gym... As your trainer
I know better than anyone how much you've grown
I'm certain that in the future you'll be our poster boy as a boxer!
.....
Have faith in yourself!
I've always had it!!
Faith in myself?

These two years...
What was I feeling trying to become strong..??
?!
Even though you don't understand anything...
And what do you know about me?
As I tried to change...!!?
What was I feeling
!
Dimwit? Isn't that you, Dimwit?

So back in middle and high school, we used to call him the dimwit antlion!
Just "dimwit" for short ♥
He was gloomy, a loner, and an idiot...
What do you mean by "dimwit"?

11. NOTE: THERE IS A PUN INVOLVED HERE THAT ONLY WORKS IN JAPANESE. IF YOU COMBINE THOSE THREE WORDS TOGETHER, YOU GET "USUBAKAGERO!" WHICH MEANS "ANT LION." WHILE "USUBAKA" MEANS "DIMWIT."



YOU~~ PRETENDING TO BE ALL SEXY!
YOU THINK YOU'VE CRAWLED OUT OF YOUR COCOON AND HAVE TURNED INTO AN ADULT INSECT--!?
BUT YOU'VE REALLY CHANGED, HAVEN'T YOU!? LOOKING COOL NOW, AREN'T WE!!?

GYAHA-HAHA... IT'S TRUE, HE REALLY CAN'T SWIM!
I DON'T CARE IF HE DIES. HE'S ONLY A DIMWIT!
IT WAS AN ACCIDENT, THAT'S ALL!
Do you think it might turn out bad?
THIS IS YOUR LIFELINE!
TRY AND SWIM TOWARD IT--!

11. NOTE: DRAGONFLY IS "KAGEROU" IN JAPANESE, WHILE ANT LION IS "USURIMUSHIDOU". THERE IS AN ASSUMPTION HERE THAT AN ANT LION IS A TYPE OF A DRAGONFLY. ADULT ANT LIONS DO RESEMBLE DRAGONFLIES, BUT THEY'RE NOT RELATED.

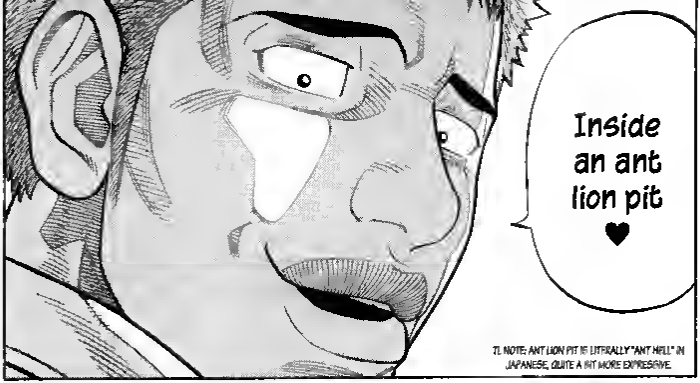
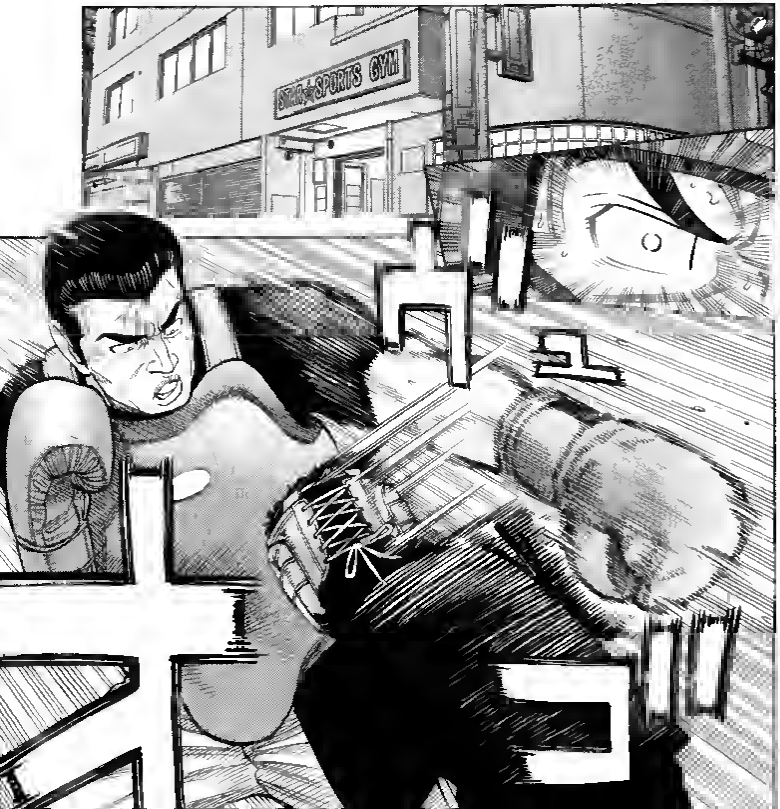
I don't care about my license!
An ant lion's larva doesn't live in water. It matures in the ground.
Oh, that's right... Let me tell you something!



TL NOTE: ANT LION PIT IS LITERALLY "ANT HELL" IN JAPANESE, QUITE A BIT MORE EXPRESSIVE.



Wow~~~ He's doing it every day.
But Tajima's punches almost never land on him anymore...
ドドド

Alright, done—!
Are you okay, Tajima?
I... I'm fine...
It looks like you've gotten used to in-fighting with a big guy!

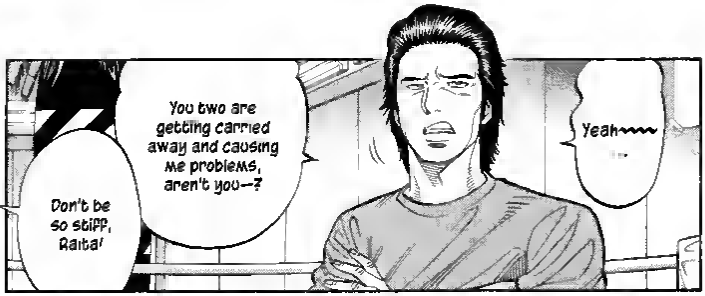
Ariki.. Why are you shying away?
No matter how I look at it, you're the one who...
What are you talking about...?
After taking many of my full strength punches, what do you have to fear, Ariki?
How much I can do against Mori.. I do want to check it out..
Certainly... There's no winning or losing, what do I need to fear in a sparring match?
It's four rounds, same as a real match!
Of course, with head gear and 16 oz gloves...
How about it, Champ? ♥



Yeah~~~

You two are getting carried away and causing me problems, aren't you--?
Don't be so stiff, Raita!

Shinya probably has frustration building up while his match hasn't been set ..
And isn't this a good chance for Rikitarou to try out his skills!?
Ah ah..
Even you are probably interested? Hmm?
.....

This is gonna get interesting!
Oh ♥
GEEZ, ALL OF YOU..
FINE!
However... If you're doing it, do it seriously!
If you don't, then it's meaningless ♥

Mori will likely be attacking one-sidedly, won't he?

Not bad. Looks like you've learned something, Baby-sitter!

Something like a four rounder shouldn't be a problem...
Well, if he's become this capable with Mori as his opponent
It's as if I'm overlooking an important point...
But... What is it? There's something off about Iwamaki's boxing
Shi... Shit...
In the end, I can't overtake Mori...?

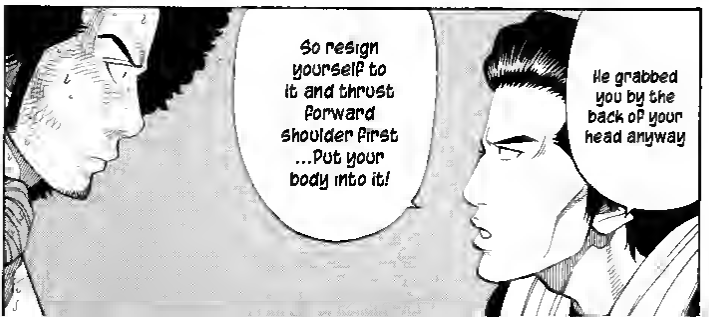
N... Not that great...
That Poul... I gotta do something about it...
Well, boxing isn't all clean
If that's how it is, then



So resign yourself to it and thrust forward shoulder first ...Put your body into it!
He grabbed you by the back of your head anyway

It's tough on a guy whose reach is long ♡
That's when the super in-fight starts! Pound his body with compact punches!
So maybe he got used to me a little?
He fought me in the pro test ..
To be able to dodge your jabs that well ...

He's the type who, the more he's cornered, the more of his dormant power he can call on
